

# RENT MANAGER CUSTOMER STORY

## AvidPay Integration

Manually managing payments for all your suppliers is complex, time-consuming, and sometimes risky. With AvidPay for Rent Manager, there's a better solution.

### WHAT IS AVIDPAY?

AvidPay is an automated payments solution embedded within Rent Manager that allows users to streamline their payment process without leaving the Rent Manager ecosystem—for no cost. As long as you're processing at least 50% of your payments through AvidXchange, there are no costs associated with AvidPay.

### BENEFITS OF AVIDPAY

On average, AvidXchange estimates real estate companies can save between \$4,000-\$6,000 on payment processing each year!

To enjoy the maximum benefits of AvidPay, your company will need to process at least 50% of its monthly payments using AvidPay. For example, if you process 100 payments each month, you'll need to process at least 50 of those transactions through AvidPay to receive the no-cost benefit.
