

# VIRTUAL POST OFFICE

Mail essential documents without touching an envelope.

Let Virtual Post Office (VPO) take care of your printing and mailings so you and your staff can focus on what you do best.

Take mailing virtual while eliminating the need for in-office supplies, printing, and labor associated with mailings, in just a few mouse clicks.

## Save Time and Resources

**Outsource the tedious and costly work** of printing, stuffing, stamping, and mailing envelopes and get notified when your order is completed.

## Quickly Create and Send

Easily submit, process, and prepare your documents. **Submit VPO envelopes for mailing** with the click of a button.

## The Total Package In One Place

**Accomplish everything you need without leaving Rent Manager®.** Send any invoice, statement, letter, or report that you generate with Rent Manager directly through VPO.

*Skip the trips to the  
Post Office while  
saving time and  
money with VPO.*

Contact your sales representative for more information today.
